On 05-03-06 at 2153 hours, I was working uniform patrol in marked Costa Mesa police car #784. I was sent to the Goodwill Store at 620 West 19th Street reference four males vandalizing the side of the Goodwill Store by spray painting graffiti on the wall. When I got there, I talked to a male later identified as [REDACTED] and he told me the following:

[REDACTED] stated he saw three males spray painting graffiti on the side of the Goodwill Store. [REDACTED] pointed west along 19th Street and said, "That is them walking west on 19th Street". When [REDACTED] made the statement, he was pointing at four males walking west on 19th Street on the north side of the street approaching Pomona Ave. I told [REDACTED] to wait in front of the Goodwill Store and another Officer would be there shortly.

I drove west on 19th Street and caught up to the four males as they were crossing Pomona Ave. I activated my emergency lights and siren and made a stop on the four males. I had them all sit on the ground. As I was getting out of my police car, I recognized two of the males from previous contacts in which they were arrested approximately a week ago.

Due to the fact that there were four of them, two of them I recognized as being arrested approximately a week ago, and I was alone, I decided to handcuff them while I detained them for further investigation. I walked up to the male closest to me, who was later identified by information he provided as [REDACTED]. I handcuffed him with his hands behind his back. I told [REDACTED] he was not under arrest but was being detained until I could find out what was going on. [REDACTED] stated he understood.

I then walked over to the next male, who was later identified by information he provided as [REDACTED]. I handcuffed him with his hands behind his back. I told [REDACTED] he was not under arrest but was being detained until I could find out what was going on. [REDACTED] stated he understood.

I then walked over to the next male, who was later identified by information he provided as [REDACTED]. I handcuffed him with his hands behind his back. I told [REDACTED] he was not under arrest but was being detained until I could find out what was going on. [REDACTED] stated he understood.

I asked [REDACTED] if he had any weapons, drugs or guns on him and he said, "No". I asked [REDACTED] if I could search him and he said, "Yes". I had [REDACTED] stand up and I searched him and no weapons or contraband was found. I then had [REDACTED] sit back down.

I asked [REDACTED] if he had any weapons, drugs or guns on him and he said, "No". I asked [REDACTED] if I could search him and he said, "Yes". I had [REDACTED] stand up and I searched him and no weapons or contraband was found. I then had [REDACTED] sit back down.

I asked [REDACTED] if he had any weapons, drugs or guns on him and he said, "No". I asked [REDACTED] if I could search him and he said, "Yes". I had [REDACTED] stand up and I searched him and no weapons or contraband was found. I then had [REDACTED] sit back down.

I asked [REDACTED] if he had any weapons, drugs or guns on him and he said, "No". I asked [REDACTED] if I could search him and he said, "Yes". I had [REDACTED] stand up and I began to search him. [REDACTED] said, "All I have is a sneaky toke". I asked him what is a sneaky toke and he said, "You know, a sneaky toke. It is in my right pocket". I searched him and no weapons were found. In [REDACTED] right front pant pocket, I felt something hard wrapped in cloth. I asked [REDACTED] what was in his pocket and he said, "My sneaky toke". I asked him if I could take it out of his pocket and he said, "Sure, go ahead". I reached into [REDACTED] pocket and pulled out a white sock containing a glass pipe containing burnt marijuana residue. I collected the pipe. I then had [REDACTED] sit back down.

I stood [REDACTED] up and walked him a few feet away from the others so they would not hear what we were saying. I asked [REDACTED] what was going on and he said, "We were just going to get something to eat when you stopped us. We were just walking down the street". I told [REDACTED] we had a witness that saw them tagging the building and that unless I got some straight answers he was just as involved as anyone else. [REDACTED] told me the following:

[REDACTED] stated he had just met up with [REDACTED] and [REDACTED] near Maple Street and they were going to get something to eat. While they were walking, [REDACTED] had a spray can and tagged the wall of the Good Will store. There was someone looking at them so they walked off and when they got to the bus bench in front of DMV, [REDACTED] sprayed the bus bench. As they continued to walk, [REDACTED] tagged some other things and the sidewalk.

[REDACTED] stated he had nothing to do with the tagging and was just walking with them. [REDACTED] stated he had noting to do with it and was not going to jail for them. I asked [REDACTED] if he would write a statement reference everything he told me and he said he would. [REDACTED] asked if I could wait until the others were gone because he did not want to be called a snitch. I walked [REDACTED] back over to the other and had him sit back down.

I stood [REDACTED] up and had him walk away from the others so they would not hear what we were saying. I asked [REDACTED] what was going on and he said, "We were just going to get something to eat". I told [REDACTED] we had a witness that saw them tagging the building. [REDACTED] stated, "I did not do anything wrong so I am not worried". I walked [REDACTED] back over to the others and had him sit back down.

I stood [REDACTED] up and walked him a few feet away from the others so they would not hear what we were saying. I asked [REDACTED] what was going on and he said, "Nothing, I have no idea what you are talking about. I was just kicking it with my friends". I told [REDACTED] we had a witness that saw them tagging the building, so he might as well come clean. [REDACTED] told me the following:

They all met up on Maple Street and were going to get some food to eat. The next thing he knew was [REDACTED] was tagging stuff. [REDACTED] tagged the Goodwill Store and the bus bench. Then the next thing I knew the cops were stopping us. [REDACTED] was the one tagging and that is whom you need to talk to. I walked [REDACTED] back over to the others and had him sit back down.

I stood [REDACTED] up and walked him a few feet away from the others so they would not hear what we were saying. I asked [REDACTED] what was going on and he said, "Nothing, we were just walking to get something to eat". I told [REDACTED] we had a witness that saw them tagging the building, so he might as well come clean. [REDACTED] told me the following:

[REDACTED] stated they were walking from Maple Street to get something to eat. While they were walking, [REDACTED] started tagging things. They continued to walk and [REDACTED] tagged things as they passed it. [REDACTED] threw the can in the bushes and then the police stopped them.

I asked [REDACTED] what was the deal with the marijuana pipe in his pocket. [REDACTED] said, "I had it but I was not smoking, it was just in my pocket". I walked [REDACTED] back over to the others and had him sit back down.

I had Officer Brown #531 to go back to the Goodwill Store and talk to [REDACTED] and have him do an in-field show up. Officer Brown transported [REDACTED] to the location and [REDACTED] identified [REDACTED] as the subject he saw tagging the wall of the Goodwill Store.

I then had Officer Brown take photos of the tagging.

For further, see Officer Brown's attached supplemental report and photos.

I then talked to [REDACTED] [REDACTED] and [REDACTED] together. I told them I knew they tagged the building and to stop playing games and just own up to it. [REDACTED] stated, "Yeah, it was me. I won't lie about it I did it". I asked him what did he do and he said, I tagged the Goodwill Store and bus stop". I asked him where was the spray paint can and he said, "I threw it in the bushes by DMV". I asked him why he tagged the building and sign and he said, "I just felt like it. Do not tell me you never tagged, everyone tags things". I asked [REDACTED] where he met up with [REDACTED] and he said, "On 19th Street almost to Maple". I asked [REDACTED] where he met up with [REDACTED] and he said, "In front of the liquor store on 19th Street"

I asked [REDACTED] where they met up with [REDACTED] and he said, "Just past In-N-Out Burger almost to Maple Street.

I walked from the corner of 19th Street and Pomona Ave, where I stopped [REDACTED], [REDACTED] and [REDACTED] to DMV looking for the spray paint can but I could not find it. I stood [REDACTED] up, doubled locked his handcuffs and placed in the backseat of Officer Brown's police car. I had Officer Brown transport [REDACTED] to Costa Mesa Police Department.

3 On 5-3-06, at approximately 2155 hours, I responded to 620 W. 19th St., The Goodwill Store,
4 reference four subjects who had just spray painted the location. As I arrived at the location,
5 Ofc. Christian advised he had detained four matching the description CMPD Communications
6 had provided.

7
8 I met with the informant, identified by his California ID Card as [REDACTED] who told me the
9 following:

10
11 [REDACTED] was riding his bicycle eastbound across the street from Goodwill when he saw four
12 males standing on the east side of the building. He described three of the males as wearing
13 dark clothing and the fourth wearing a light top. The male wearing a light top used a spray can
14 and spray painted the side of the building. [REDACTED] crossed the street and watched the males
15 as he went to the payphone at 600 W. 19th St. where he called police.

16
17 I asked [REDACTED] if he would drive with me to look at the males and he agreed. I read [REDACTED]
18 my infield admonishment from my department issued Miranda card. [REDACTED] said he
19 understood. I drove [REDACTED] to 700 W. 19th St. where Ofc. Christian had stopped four possible
20 subjects. [REDACTED] said they were the same subjects that were at The Goodwill Store and the
21 male in the light shirt and New York baseball cap, later identified as [REDACTED] was the
22 one that had spray painted the wall. I drove [REDACTED] back to the Goodwill Store where he
23 completed a written statement, see attached.
